

Table Grace creates space for life-giving transformational conversations, story-sharing, and resourcing. Participants in **Table Grace Partner Conversations** will clarify where they have been, where they are now, where they want to go, and who they want to be. The result is greater clarity of next steps with a purposeful commitment to abundant life for all.

Sessions facilitated by Carol Wilson as Conversation Partner and Guide.

Staff and Leadership Team Partner Conversation: Strengthening Our Relationships and Service.

These conversations, in the spirit of facilitation and consultation, engage organizational or congregational representatives in a guided time of sharing and hearing afresh their stories of where they have been, where they are, and the possibilities for their next steps.

These conversations are for staff and/or leaders who want to strengthen relationships and renew fulfillment of shared visions. They create space for reflection and encouragement to foster a healthy environment and development of connection, meaning, agency, blessing, and hope.

Conversations may consist of the following:

- Identifying limiting stories and stories of new possibilities
- Structured conversations for difficult topics and confusing circumstances
- Opportunities to reconnect with each other and renew energy
- Practices and experiences to cultivate vision, direction, and hope
- Providing resources related to identified interests and new opportunities

Staff and Leadership Team Partner Conversations create space to listen to each other and to move toward more abundant life for themselves and those they serve. Conversation options include short-term series, staff or planning retreats, days apart, and workshops. They can occur by Zoom or in person.

Formats for these opportunities will meet the particular needs of the organization or congregation. The fee is \$100 per hour; or \$250 for a morning or afternoon session; or \$500 for a 6-hour session. *All Table Grace Partner Conversations are designed with your group's particular needs, interests, and budget in mind.* Fee inquiries are welcomed to accommodate the budget needs of your group.
